

Blooms from  
Spring until Frost

Easy to Grow

Low Maintenance

Great Disease  
Resistance

Bill Radler, Rose Breeder  
Creator of The Knock Out® Rose

# THE KNOCK OUT®

Blooms from Spring until Frost. Easy to Grow.

Rose Breeder, Bill Radler, has revolutionized the way we think of roses. With the creation of The Knock Out® Rose, many say that he single-handedly brought rose genetics from the 20th Century into the 21st Century.

The Knock Out® Rose, Radler's first commercial success and a 2000 AARS winner, has broken all records for sales of a new rose. Today The Knock Out® Rose is the most widely sold rose in North America.

The Conard-Pyle Co./Star® Roses is proud to have introduced the original Knock Out® Rose and the six other members of The Knock Out® Family of Roses: The Double Knock Out® Rose, The Pink Knock Out® Rose, The Pink Double Knock Out® Rose, The Rainbow Knock Out® Rose, The Blushing Knock Out® Rose and The Sunny Knock Out® Rose.

Research and development continues each year to find new members of The Knock Out® Family of Roses. To assure that these new introductions meet the standards set by the original Knock Out® rose, all test varieties are evaluated for several years in a wide variety of climates and growing conditions at locations around the country. Only a fraction of the test varieties will meet the Knock Out® standards and will be introduced.

# FAMILY OF ROSES

Low Maintenance. Great Disease Resistance.

Knock Out® Roses are easy to grow and do not require special care. They are the most disease resistant rose on the market. They have stunning flower power with a generous bloom cycle (about every 5-6 weeks) that will continue until the first hard frost. All of the Knock Out® Roses are self-cleaning so there is no need to deadhead.

The Knock Out® Roses are winter hardy to USDA Zone 5 and heat tolerant throughout the entire U.S. They thrive in almost every area of the country. In the coldest regions, they will need winter protection.

The Knock Out® Rose

Knock Out® Roses can grow to be more than 3' wide x 4' tall or they can be pruned and maintained at a smaller size if desired.

The Knock Out® Family of Roses can fit into any landscape. Plant them individually among shrubs, annuals and perennials in mixed beds and borders. Plant them in large groups to create a colorful hedge. Plant them along a foundation to provide a bright border.

## THE DOUBLE KNOCK OUT® ROSE

Classic Shaped Full Double Flowers

### The Double Knock Out® Rose

From the same cross that produced the original Knock Out®, The Double Knock Out® Rose represents the next generation in the family of The Knock Out® Roses. The full double flowers look just like a classic rose. What it gained in beauty it did not lose in performance. It is as resistant to black spot as the famous original, has the same bloom cycle and is slightly more winter hardy. A shrub rose with a classic look and the toughness that you expect from a member of The Knock Out® Family.

Color .....Cherry Red  
Size.....on average 3-4' wide x 3-4' tall  
Light.....Full Sun  
Bloom Size..... Small  
Foliage.....Deep, purplish green  
Petal Count.....18 - 25  
Hybridizer .....Radler  
Zone .....5 - 9  
Denomination / Patent.....'Radtko' PP#16202

## THE PINK KNOCK OUT® ROSE

Bright Pink Super Bloomer

### The Pink Knock Out® Rose

Single petals, just like the original, but in a beautiful shade of bright pink! And like the other members of the family, The Pink Knock Out® Rose is black spot resistant, drought tolerant and self-cleaning. A perfect companion to other shrubs, roses and perennials.

Color .....Bright Pink  
Size.....on average 3-4' wide x 3-4' tall  
Light.....Full Sun  
Bloom Size..... Medium  
Foliage.....Deep mossy green  
Petal Count.....7 - 11  
Hybridizer ..... Found by Conard-Pyle  
Zone .....5 - 9  
Denomination / Patent ..... 'Radcon' PP#15070

## THE PINK DOUBLE KNOCK OUT® ROSE

Bubble Gum Pink Full Double Flowers

### The Pink Double Knock Out® Rose

A bright bubble gum pink version of The Double Knock Out® Rose that is very stable and also unfazed by the heat. Classic shaped flowers from early Spring to the first frost. With superior drought tolerance once established, it has the toughness and resistance for which the family is known. A vibrant color that perks up any landscape.

Color ..... Pink  
Size.....on average 3-4' wide x 3-4' tall  
Light.....Full Sun  
Bloom Size ..... Medium  
Foliage.....Dark mossy green  
Petal Count.....18 - 24  
Hybridizer .....Radler  
Zone .....5 - 9  
Denomination / Patent.....'Radtkopink' PP#18507

## THE RAINBOW KNOCK OUT® ROSE

A Plantable Rainbow

### The Rainbow Knock Out® Rose

Uniquely colored coral pink blooms with yellow centers, The Rainbow Knock Out® Rose is more compact than the other members. Rarely affected by black spot. New foliage appears deep burgundy, aging to dark green. A 2007 AARS winner.

Color .....Coral Pink with a yellow center  
Size.....on average 3-4' wide x 3-4' tall  
Light.....Full Sun  
Bloom Size ..... Medium  
Foliage.....Dark Green  
Petal Count.....5 - 7  
Hybridizer .....Radler  
Zone .....5 - 9

## THE BLUSHING KNOCK OUT® ROSE

A Delicate Pink for any Garden

### The Blushing Knock Out® Rose

With similar flowers to The Knock Out® Rose, this variety has light pink blooms that, with age, fade to a delicate subtle pink. This shrub rose will be a versatile addition to any landscape.

Color .....Light Pink  
Size.....on average 3-4' wide x 3-4' tall  
Light.....Full Sun  
Bloom Size.....Medium  
Foliage.....Mossy green with blue hues  
Petal Count.....7 - 11  
Hybridizer ..... Found by Yoder Brothers  
Zone .....5 - 9  
Denomination / Patent.....'Radyod' PP#14700

WWW.THEKNOCKOUTROSE.COM

## THE SUNNY KNOCK OUT® ROSE

Sunny and Super Fragrant

### The Sunny Knock Out® Rose

The newest addition from Bill Radler is the only fragrant member in The Knock Out® Family of Roses. It has a slightly more compact and upright habit than The Knock Out® Rose with bright yellow flowers that fade quickly to a pastel cream color. The dark, semi-glossy foliage contrasts nicely with the bright blooms.

Color ..... Yellow/Pale Yellow  
Size.....on average 3-4' wide x 4-5' tall  
Light.....Full Sun  
Bloom Size.....Single  
Foliage..... Dark green, semi-glossy  
Petal Count.....5 - 7  
Hybridizer .....Radler  
Zone .....5 - 9  
Denomination / Patent.....'Radsunny' PP#18562
